## Statement on Conflict Minerals

---

Newhaven Display is taking and will continue to take due diligence within our supply chain to ensure no metals are derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups or unlawful military factions.

The metals in this certification include:

- Gold (Au)
- Tantalum (Ta)
- Tungsten (W)
- Tin (Sn)

Trade routes not confirmed to be "Conflict Free" include direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania, and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

Newhaven Display confirms that metals used in our products are "DRC Conflict-Free".

A handwritten signature in black ink, appearing to read "Curt Lagerstam", is positioned above the printed name.
