## European Union's REACH Regulation Declaration Certificate

---

The European REACH Regulation 1907/2006 of Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) entered into force on June 1, 2007, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

Newhaven Display's products are considered articles as defined in REACH Article 3 (3). These products under normal and reasonable conditions of use do not have intended release of substances, therefore the requirement in REACH Article 7 (1)(b) for registration of substances contained in these products does not apply.

Newhaven Display's products do not contain Substances of Very High Concern, or, if there are SVHC in the product, the content is less than the 0.1% (wt/wt) as defined by REACH Article 57, Annex XIV, Directive 67/548/EEC. Therefore the requirement in REACH Article 7 (2) to notify ECHA if a product contains more than 0.1% wt/wt of an SVHC and tonnage exceeding 1 tonne per importer per year is not applicable.

Newhaven Display's European operations do not manufacture or import chemicals; therefore Newhaven Display has no obligation to register substances.

A handwritten signature in black ink, appearing to read "Curt Lagerstam", is positioned above the printed name.

**Curt Lagerstam**

**Director of Quality**

**Newhaven Display International, Inc.**
